

OUR MISSION

Lat45° is a Christian, nonprofit organization that fosters relational experiences through the gospel by offering outdoor adventures to young people.

OUR VISION

Our vision focuses on a Christ-centered desire to invest in people on their journey to walk with God.

WHAT WE DO

- Backpacking trips
- Summiting mountains
- Day hikes
- Snowshoeing
- Life skills and self defense
- Survival and wilderness training

”

Every view made me rediscover how deep God's love for us is. He put so much detail into flowers, trees, and clouds and then chose to make me and you!

“

WHY GIVE?

- The teen and mental health crisis is at an all-time high with up to 50% of teens reporting persistent sadness or even hopelessness.
- Over 51% of youth polled reported that being in nature made them feel calmer and less stressed.
- 90% of those teenagers struggling with depression reported higher self-esteem after spending time in nature.

”

I loved seeing the beautiful things God has made in the mountains. My favorite part was hanging with the guys and not worrying about life.
